Heritage Alert - Takanawa Chikutei maritime railway track embankment (Japan)

To add to the already substantial national alarm, raised among others by **ICOMOS Japan**, ICOMOS is issuing a **worldwide Heritage Alert**, our most consequential expression of concern, to amplify

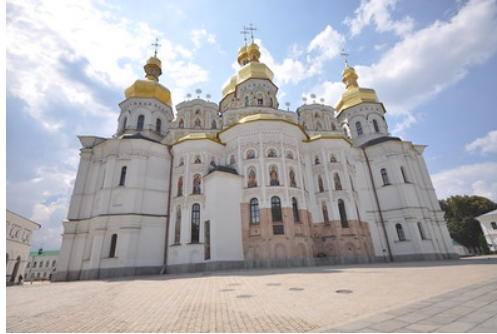

awareness of the **imminent and irreversible threats to the Takanawa Chikutei maritime railway track embankment (Japan)** in the form of its on-going, partial but substantial destruction after its rescue excavation and recording.

Send in your upcoming webinars for the next ICOMOS e-News!

The deadline is almost here to send in information about your upcoming webinars for the next ICOMOS e-News, which will be published in April.

If you are an ICOMOS Committee or an ICOMOS Working Group organizing a webinar and want it to be included in the next ICOMOS e-news, please fill out **this template** and send it to project.intern@icomos.org **by 25 March 2022**, making sure that the email subject line is entitled: "ICOMOS Upcoming Webinars e-News".

The Secretariat will then include your webinar in the "**Upcoming Webinars**" article on the ICOMOS website and in ICOMOS **April e-news**.

We invite you to watch previous ICOMOS webinars on the **ICOMOS Webinars page**. If you would like to have your webinar recording added to this page, please contact project.intern@icomos.org.

We look forward to hearing from you!
