Joint statement by ICOMOS, ICOM and E.C.C.O on the plan to ban lead

The European Chemicals Agency's (ECHA) plan to include lead in the list of substances subject to authorisation (appendix XIV of the REACH

Regulation) would have a **major impact** on a substantial part of the **cultural heritage sector** – and in particular on the art of

stained glass and the restoration of Europe's vast heritage of historic medieval to modern stained glass. Read the **joint statement by ICOMOS, ICOM, E.C.C.O., ICOMOS-Corpus Vitrearum et ICOM-Glass**.

Climate Action Working Group - Climate Justice and Equity Toolkit

Climate justice and equity lie at the heart of climate action and should be the foundation of our response in the heritage sector. **This toolkit provides an overview of the topic alongside some best-practice examples and suggested actions and activities for ICOMOS National and Scientific Committees.** These include ways to increase inclusivity and participation, promote meaningful co-production and be more sustainable.

ICOMOS President Teresa Patrício participates in a EESC hearing

The **European Economic and Social Committee (EESC)** organized a session on "*Cultural diplomacy as a vector of European Union external relations. New partnerships and role of Civil Society Organisations*" on 20 April 2022, to highlight the need for a **clear vision** and **continuity of action** to fully exploit the vast potential of cultural diplomacy.

Our President Teresa Patrício stressed the importance of safeguarding cultural heritage for **future generations**, encouraging **dialogue** and **solidarity**, and promoting **inclusive cultural exchanges** and initiatives in a **multidisciplinary manner**.
