ICOMOS e-News n°200 - April - May 2021

Looking back on 18 April 2021 | Thank you so much!

On **18 April 2021**, we celebrated the **International Day for Monuments and Sites** with the theme of "**Complex Pasts: Diverse Futures**".

However, this 18 April 2021 was not like in previous years. With the world almost entirely under **lockdown**, few gatherings, guided tours or trips were allowed. But that did not stop heritage experts and enthusiasts

from all over the planet **to celebrate our monuments and sites through the organisation of online events**: conferences, challenges, virtual meetings and many other innovative **initiatives**.

ICOMOS would like to **thank you**, the organisers, contributors and participants, **for your enthusiasm and your resilience**.
