

ICOMOS China organized 46 events for the celebration of the International Day for Monuments and Sites, led by its thematic program for the handicapped children to appreciate historic paintings in the Forbidden City. During the hard time of Covid-19, ICOMOS China believes that cultural heritage should yield more influences on the recovery of people's health and minds. The aim is to have the global community tied with each other with the support of heritage conservation, and ICOMOS will be playing a more significant role in this process.

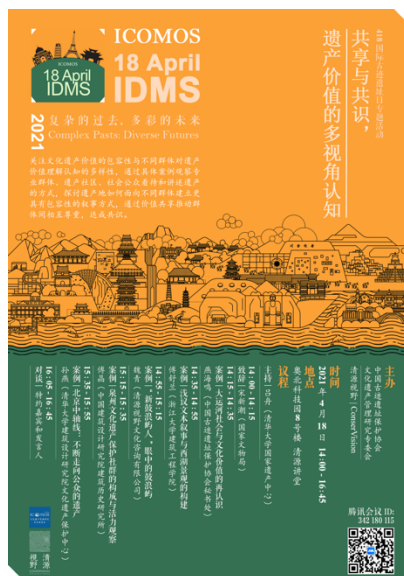

1、Painting in the Forbidden City: Hard of Hearing Youths Visit the Cultural Heritage Site

Title	Painting in the Forbidden City: Hard of Hearing Youths Visit the Cultural Heritage Site
Who	ICOMOS CHINA
When	April 18, 2021

44、<the Ancient City of Liangzhu> Book Recommendation

Title	<the Ancient City of Liangzhu> Book Recommendation
Who	Zhejiang Children and Youth Publishing Group
When	April 18, 2021
What	In releasing this year's theme, ICOMOS noted that each person and group sees and tells heritage differently. More inclusive narratives should be created to interpret heritage more comprehensively and communicate heritage values to a broader group range. Particular attention needs to be paid to the heritage needs of disadvantaged groups that exist for economic, social, and even physical reasons to create a more tolerant and peaceful future. Zhejiang Children and Youth Publishing Group has launched the book "The Ancient City of Liangzhu" and its English version. The book is written by Liu Bin, the discoverer of the ancient city of Liangzhu, providing children with a way to understand Liangzhu civilization that is both authoritative and interesting.

45、Seminar on "The New Life of the Old Town" at James Jackson Museum

Title	Seminar on "The New Life of the Old Town" at James Jackson Museum
Who	James Jackson Museum
When	April 18, 2021
