Date: 05/09/2019

Dear Colleagues

The GA2020 Scientific Symposium “Shared Cultures – Shared Heritage – Shared Responsibility” will comprise six themes, of which one is: “**INDIGENOUS HERITAGE: sharing, exchange, and control**”. The Co-chairs for this theme are Dr Chris Wilson (Ngarrindjeri/Kaurna, Nunga; ICOMOS Australia) and Dr Diane Menzies (Ngati Kahungunu, Maori; ICOMOS New Zealand).

A Working Group for this theme is being established whose roles will include: assisting the Co-chairs develop a programme of sessions and activities; undertake reviews of session and abstract submissions (January-April 2020); and support the post-GA2020 publication of papers.

This call is for Indigenous people with an interest in the theme, and with an intention to attend the GA2020, **to submit an Expression of Interest (EOI) to become a member of the Indigenous Heritage Theme Working Group**. Interested ICOMOS members should provide a **short (up to 200-word) statement** about their interest and commitment to the role, as well as a **CV**. The EOI should be emailed to **Chris Wilson** (christopher.wilson@flinders.edu.au) and **Diane Menzies** (drdhmenzies@ark.co.nz) **by 30 September 2019**. Any queries relating to the EOI can also be directed to Chris and Diane.

The ICOMOS 20th General Assembly and Scientific Symposium (GA2020) will take place in Sydney, Australia, from 1-10 October 2020. Information on this event is available, and continues to be added to the **GA2020 website**.
