ICOMOS Webinar Series | Caring For Country: Webinar 3: "Burning Country"

Join us for the third Webinar in the Caring For Country Webinar Series on 13 October 2021 at 12.00 noon AEDT.

Webinar 3: Burning Country: Aboriginal Fire Practice in caring for Country
Indigenous fire practice is a key aspect of caring for country and very important to maintaining cultural connections to place. In the face of climate change and other threats, caring for country practices, including fire practice, contain answers to the healing

of damaged landscapes and managing climate change impacts. Through community engagement and empowerment, burning country can also provide communities with economic opportunities.
