Workshop “World Heritage – Terminology, Criteria, Role”

National Committee ICOMOS Serbia will celebrate The International Day for Monuments and Sites by organizing the workshop "World Heritage - Terminology, Criteria, Role". The workshop will be held on 18 and 19 April, within a study tour of Serbian cultural heritage inscribed on the World Heritage List – Monastery Studenica and Old Ras with Sopocani. The intention of the workshop is to develop the dialogue between the professionals in the field and the representatives of the local community, in order to achieve better understanding of the World Heritage Convention and its role in modern society. The experts-members of the National Committee of ICOMOS Serbia, in charge of conservation of these World Heritage Sites, will present their experience, while the results from the workshop will be implemented in a joint assessment of the state of conservation for the two cultural properties.
