Call for Applications: Summer 2019 Overseas Internships

The United States National Committee of the International Council on Monuments and Sites (US/ICOMOS) is seeking graduate students and emerging professionals (within 3 years of graduation) specialized in historic preservation and heritage conservation to participate in an International Exchange Program (IEP) during the summer of 2019. Participants will be assigned to three-month, practical working internships, under professional supervision, with a public or private nonprofit preservation organization.

For more information, and for the link to the online application form, visit usicomos.org/internship.

Deadline: 11 January 2019
