**In memoriam: Hristina STANEVA, President of ICOMOS Bulgaria,
member of the ICOMOS Executive Committee**

Message from Gustavo Araoz

The entire ICOMOS Executive Committee and the members of ICOMOS ICLAFI share the deep sorrow of our Bulgarian members and friends at the sudden death of our much esteemed colleague Hristina Staneva last Friday. Our thoughts go out to her family and colleagues.

With much sadness,

Gustavo Araoz, President of ICOMOS

Message from ICOMOS Bulgaria

Dear Colleagues,

It is with deep sorrow that we share the news that architect Hristina STANEVA, the President of ICOMOS/Bulgaria, passed away on 26th June 2009 after a short illness.

We lost one of our most dedicated members, who greatly contributed to the preservation of the Bulgarian cultural heritage. Arch. Hristina STANEVA was elected President of the Bulgarian National Committee in 2002. She has always been working rigorously for the further development of professional standards, strictly following the ethical principles of conservation. Mrs. Staneva's

talent and professional capacity were largely recognized by the colleagues in many countries, which resulted in her election to the Executive Committee of ICOMOS in 2005. She was also Vice-President of the ICOMOS International Scientific Committee on Legal, Administrative and Financial Issues, Associated member of the ICOMOS Scientific Committee on Vernacular Architecture, National Correspondent of the HEREIN Project – Council of Europe and the European Commission, and a member of the Union of Bulgarian Architects.

As President of ICOMOS/Bulgaria, Hristina Staneva made a significant contribution to increasing the standing of our organization in Bulgaria. Through her passionate initiatives numerous important international projects on the conservation of the Bulgarian cultural heritage were implemented, all with the major contribution of ICOMOS. The conservation of the medieval churches of St. Stephan in the town of Nessebar and of St. Dimitar in the town of Boboshevo, and monuments in the “Old Plovdiv Reserve” became possible through Hristina’s active role.

Hristina Staneva took her work in training new generations of specialists in the conservation of cultural heritage very seriously. She undertook a large number of presentations, publications and lectures in Bulgaria and abroad, and was involved in teaching University courses on the preservation of the architectural heritage in Bulgaria. During her long career Hristina helped in training and mentoring many young colleagues.

We have lost a colleague whose tireless creative energy has always given us courage in our own professional striving.

Assoc. Prof. Stefan Belishki,
Vice-Chairman of ICOMOS/Bulgaria

In memoriam: Maria Adriana CASTRO, former President of ICOMOS Brazil

With sense of lost and in a spirit of sadness, ICOMOS-Brazil informs of the unexpected death of Maria Adriana Castro, which occurred on the 9th of June 2009 in Salvador, Bahia.

Architect, specialist in heritage protection, former president of ICOMOS-Brasizil, former director of the Bahia Cultural Heritage Department, former president of the Gregorio de Mattos Foundation, Maria Adriana had a distinguished contribution to Brazilian’s heritage preservation, and to the life of ICOMOS-Brazil.

Maria Adriana has been involved in several important projects in the heritage preservation area in Brazil and South America, with special relevance for her participation in the nomination of the Historical Center of Valparaiso, Chile, as world heritage.

Docomomo Chile: Third National Seminar – Modern Heritage and the City Valparaiso (Chile), 18-21 November 2009

Docomomo Chile will hold its Third National Seminar in Valparaiso on November 18-20, 2009. The main theme of the seminar will address the relationships between modern heritage and the city. The city of Valparaiso, included in the World Heritage List, provides a paradigmatic urban landscape in which to confront the reality of the traditional city and the modern heritage, in the broad—and local—realms of the urban fabric, the territory, and the coast.

In consonance with the next International Docomomo Conference to be held in Mexico 2010 (see below)
